Laox Co., Ltd.

## **PayPay & au Pay newly accepted** **at almost all Laox stores across Japan!**

Laox Co., Ltd. (hereinafter referred to as “we” ) started to accept two new QR code payment services, PayPay and au Pay, from February 13<sup>th</sup> (Thursday) at all of our stores except for Laox Ginza EXITMELSA and Laox Kansai International Airport Store!

Payments with various credit cards and QR codes such as Alipay, WechatPay, and UnionPay are already available at our stores. Considering the proliferation of caseless payment in Japan and an increase of Japanese visitors to our stores, we have decided to add the two QR code payment systems mentioned above.

With PayPay and WechatPay, two Japanese QR code payment services, now accepted at most of our stores, we will further strive to create an even more comfortable shopping environment to meet the needs of customers from Japan and abroad.
